email: [musella@aol.com](mailto:musella@aol.com)
phone: 516-270-5182

What did the contact do during the semester, how did it work?
(describe number of contacts, provides context for grading and sharing)
*We asked the contact about the features that the users of VirtualTrials.com access the most. Our group made a phone call to Al Musella about the features.*

Have you shared the report with the contact?
*We have not shared the report with the contact yet.*

Do you grant permission to Ritter to share the final report with the contact with a cover letter?
(permission not required, but if granted and the report has useful comments, allows Ritter to share report with cover letter encouraging attention to the report)
*Yes, we grant the permission to share the final report with the contact.*

Do you grant permission to Ritter to share the final report on the IST 331 website?
(permission not required, but now is the time to think about it)
*Yes, we grant the permission to Ritter to share the final report on the IST331 website.*

How likely are you to revise the report before sharing based on feedback? (if not being revised a letter grade will be generated, if you will be revising full feedback will be provided)
*We are very likely to revise the report before sharing.*
